SWISS EXCELLENCE

TURBULENT
OPEN BALANCE
ROSE/BROWN
SPECIAL EDITION

A STATEMENT THAT LASTS

Bastian Antoni is delighted to introduce the TURBULENT. With its 45 mm diameter case in hand brushed rose gold stainless steel, its generous size and appearance correspond to future trends.

The TURBULENT is manufactured with only quality components and powered by a highly reliable Swiss automatic movement.

Its unique and exuberant case design makes the TURBULENT a first class eye-catcher.

Expressive and uncompromising in terms of design. A perfect companion for the stylish man, in whatever situation, at work or at play.
